MATERIAL SAFETY DATA SHEET

Product Name(s) Mount Saver Powder

1. Product and Company Identification

CAS # Powder mixture

Product use Various Taxidermy Preparations and Applications

Manufacturer **Mount Medix LLC**
75 Bunny Lane
Palmerton, PA 18071
855-686-3349

2. Hazards Identification

Routes of exposure
Potential short term health effects
Eye, Skin contact, Inhalation, Ingestion.

Eyes May cause irritation.

Skin May cause irritation.

Inhalation May cause minor respiratory tract irritation. Symptoms might include coughing, wheezing and difficulty breathing.

Ingestion May cause stomach distress, nausea or vomiting.

Target organs Eyes. Skin. Respiratory system.

Chronic effects Prolonged or repeated exposure can cause drying, defatting and dermatitis.

Signs and symptoms Symptoms may include redness, edema, drying, defatting and cracking of the skin. Symptoms of overexposure may be headache, dizziness, tiredness, nausea and Vomiting and Pneumoconiosis.

Composition comments This product is considered not hazardous under 29 CFR 1910.1200 (Hazard Communication).

3. Composition / Information on Ingredients

Component	CAS#
Natural Diatomaceous Earth Amorphous Silica	61790-53-2
Cedarwood oil	8000-27-9
Lemongrass oil	2-1-8007
ROSEMARY OIL	8000-25-7
THYME OIL	8007-46-3
Geraniol	106-24-1
Wintergreen oil	68917-75-9
Mint oil	99-49-0
Vitamin E	7695-91-2

4. First Aid Measures

Skin contact Flush with cool water. Wash with soap and water. Obtain medical attention if irritation persists.
Eyes; Flush eyes with large quantities of water. If irritation persists contact a physician.

Inhalation If symptoms develop move victim to fresh air. Drink water to clear throat. Blow nose to evacuate nose to clear dust**.** If symptoms persist, obtain medical attention.

Ingestion Do not induce vomiting. Never give anything by mouth if victim is unconscious, or is convulsing. Obtain medical attention. If vomiting occurs naturally, have victim lean forward to reduce risk of aspiration.

Notes to physician Symptoms may be delayed.

General advice If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Keep out of reach of children.

Flammable properties Not flammable by OSHA criteria.

5. Fire Fighting Measures

Suitable extinguishing media
Extinguishing media
Treat for surrounding material.

Unsuitable extinguishing media Not available

Specific hazards arising from the chemical
Protection of firefighters
Not available

Protective equipment for firefighters
Firefighters should wear full protective clothing including self contained breathing apparatus.

Hazardous combustion products None known.

Sensitivity to mechanical impact
Explosion data
Not available

Sensitivity to static discharge Not available

Personal precautions Keep unnecessary personnel away. Do not touch or walk through spilled material. Do not touch damaged containers or spilled material unless wearing appropriate protective clothing. Keep people away from and upwind of spill/leak.

6. Accidental Release Measures

Methods for containment Prevent entry into waterways, sewers, basements or confined areas.

Methods for cleaning up Before attempting clean up, refer to hazard data given above. Small spills may be absorbed or swept up and placed in suitable, covered, labelled containers. Prevent large spills from entering sewers or waterways. Contact emergency services and supplier for advice. Never return spills in original containers for re-use.

Handling Use good industrial hygiene practices in handling this material.

7. Handling and Storage

Storage Keep out of reach of children. Store in a closed container away from incompatible materials.

8. Exposure Controls / Personal Protection

Engineering controls General ventilation normally adequate.

Eye / face protection
Personal protective equipment
Wear safety glasses with side shields.

Hand protection Rubber gloves. Confirm with a reputable supplier first.

Skin and body protection As required by employer code.

Respiratory protection Where exposure guideline levels may be exceeded, use an approved NIOSH respirator.

General hygiene considerations Handle in accordance with good industrial hygiene and safety practice. When using do not eat or drink. Wash hands before breaks and immediately after handling the product.

Appearance Clear.

9. Physical & Chemical Properties

Color White to light grey or tan

Form Powder

Odor Mild to Strong Fragrance
Odor threshold Not available

Physical state Solid
Threshold Limit Value 10 mg per cubic meter

pH Not available

Freezing point Not available

Boiling point Not available

Flash point Not available

Evaporation rate Not available

Flammability limits in air, lower, % by volume
Not available

Flammability limits in air, upper, % by volume
Not available

Vapor pressure Not available

Vapor density Not available

Specific gravity Not available

Octanol/water coefficient Not available

Auto-ignition temperature Not available

Chemical stability Stable under recommended storage conditions.

10. Chemical Stability & Reactivity Information

Conditions to avoid Do not mix with other chemicals.

Incompatible materials Oxidizers.

Hazardous decomposition products None known.

Possibility of hazardous reactions Hazardous polymerization does not occur.

11. Toxicological Information

Effects of acute exposure
Eye May cause irritation.

Skin May cause irritation.

Inhalation May cause respiratory tract irritation.

Ingestion May cause stomach distress, nausea or vomiting.

Sensitization Non Not available

Chronic effects Not available.

Carcinogenicity Non Not available.

Mutagenicity Not available
Reproductive effects Not available.

Teratogenicity Not available
Ecotoxicity Not available

12. Ecological Information

Environmental effects Not available

Aquatic toxicity Not available

Persistence / degradability Not available

Bioaccumulation / accumulation Not available

Partition coefficient Not available

Mobility in environmental media Not available

Chemical fate information Not available

Waste codes Not available

13. Disposal Considerations

Disposal instructions Dispose in accordance with all applicable regulations.

Waste from residues / unused products
Not available

Contaminated packaging Not available

U.S. Department of Transportation (DOT)
Not regulated as dangerous goods.

14. Transport Information

US Federal regulations This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.
All components are on the U.S. EPA TSCA Inventory List.

15. Regulatory Information

29 CFR 1910.1200 hazardous chemical
Occupational Safety and Health Administration (OSHA)
No

CERCLA (Superfund) reportable quantity
Not Available
Hazard categories
Superfund Amendments and Reauthorization Act of 1986 (SARA)
Immediate Hazard - No
Delayed Hazard - No
Fire Hazard - No
Pressure Hazard - No
Reactivity Hazard - No

Section 302 extremely hazardous substance
No

Section 311 hazardous chemical No

Clean Air Act (CAA) Not available

Clean Water Act (CWA) Not available

State regulations WARNING: This product contains a chemical known to the State of California to cause cancer.

Inventory status
Inventory Country(s) or region name On inventory (yes/no)*
Yes
A "Yes" indicates that all components of this product comply with the inventory requirements administered by the governing country(s)
United States & Puerto Rico Toxic Substances Control Act (TSCA) Inventory

Disclaimer Information contained herein was obtained from sources considered technically accurate and reliable. While every effort has been made to ensure full disclosure of product hazards, in some cases data is not available and is so stated. Since conditions of actual product use are beyond control of the supplier, it is assumed that users of this material have been fully trained according to the requirements of all applicable legislation and regulatory instruments. No warranty, expressed or implied, is made and supplier will not be liable for any losses, injuries or consequential damages which may result from the use of or reliance on any information contained in this document.

16. Other Information

Issue date 03 November 2014

Effective date 03 November 2014
